Dear Anna,

Thank you for your letter of 16 August, introducing yourself and providing information about the Communications Consumer Panel's work, in conjunction with Ofcom, with regard to broadband speeds.

As Minister responsible for broadband, I am concerned that consumers are not receiving the speeds advertised by the ISPs and am working closely with colleagues in Ofcom to address this; therefore I support your proactive stance regarding this issue. The Coalition Government is also drafting a comprehensive broadband strategy in the Autumn and important issues such as broadband speeds will be highlighted, as will the work of the consumer groups such as the Communications Consumer Panel.
